

IDS eLearning Site for Training

We are pleased to introduce Virginia's Office of Intellectual Disability Supports (OIDS) eLearning Network of Care (Trilogy) training site hosted by the Middle Peninsula/Northern Neck CSB. This link will take you directly to the Virginia OIDS training offerings: for non-Network of Care members use <http://elearning.networkofcare.org/vadmhmrsas>; for members of the Network of Care use <http://elearning.netoworkofcare.org>. See additional information for Case Management Training.

If you have a contract with Network of Care eLearning (Trilogy), please use your agency Log In access the OIDS courses at no additional cost.

If you do not have a contract with Network of Care eLearning (Trilogy), there is a nominal fee per course. Please create a New User Account under the New User Tab on the right side of the page

In addition to Case Management training, we have some informational sessions available. Please check back often as we plan to add new offerings.

In addition to the courses from IDS, The Network of Care Library includes:

- A new Interactive Health Symptom Checker: Use this interactive body map to search for health information related to symptoms or parts of the body.
- New Interactive Tools: These easy-to-use personal calculators and quizzes help you make wise health decisions or take action to improve your health.
- Searchable Databases: Outstanding, comprehensive databases of Medical Tests, Medications and Support Groups that are simple to use and frequently updated.
- Spanish Articles: Access our expansive collection of hand-translated Spanish articles and fact sheets via the Spanish-language link on the Library's main page.

Similar updates will be made to the rest of the Network of Care products in the near future.
